

Easy Sea Life Paper Plate Craft

1K+

Here is a simple sea life craft that gives the impression of being under water or looking through a window.

Materials:

- 1 paper plate
- various sea life shape cut outs
- yellow sun or bird shapes
- blue tempura paint
- glue
- black marker
- Saran wrap
- tape

Directions:

1. Cut out sea animal shapes beforehand.
2. Draw a line with a marker a little above the middle of the paper plate
3. Paint everything blue below the line.
4. Stick on the sea animal shapes. Allow to dry.
5. Glue on sun or bird shapes at the top.
6. Cover the whole paper plate with Saran wrap and tape on the back.
