

COW CRAFT

(made from toilet paper rolls!)

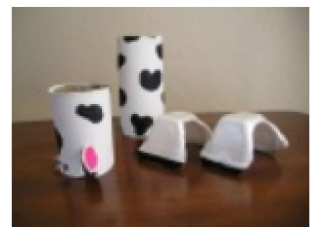

SUPPLIES NEEDED

- 2 toilet paper rolls
- paint (white, black, pink)
- 2 egg carton sections
- cotton balls
- glue (craft or hot glue)
- scissors
- 2 google eyes (optional, you can use paint)
- small piece of pink pipe cleaner/felt/or construction paper
- small piece of yarn for tail

INSTRUCTIONS

- cut 1 of the TP rolls in half (keep half for cow's head, discard other half)
- from each side of the cow's head, cut 2 rounded slits & fold outward
- on the top of the cow's head, cut 2 horns & fold outward
- cut out the front and back of each of the 2 egg carton sections (this will create the cow's legs)
- paint all parts white
- when dry, paint on black spots, pink inside the ears, and grey for the horns (you can paint eyes now as well)
- when dry, glue all pieces together
- when dry, glue some cotton balls into each TP roll (front & back)
- cut out a mouth for your cow - or use a pink pipe cleaner, glue it on
- attach the cow's tail

ALL DONE! GREAT JOB!
