

# An EGGciting Egg-Weave

## SUPPLIES NEEDED

- printable template (attached)
- heavy printer paper
- colorful paper
- scissors
- glue

## INSTRUCTIONS

- print out the templates and cut out the eggs
- fold along the middle (dotted lines on the outside)
- cut along the dashed lines
- unfold
- cut your colorful paper into thin strips
- weave the colorful strips between the strips on your egg template
- once you have them all woven, glue the ends to the egg
- cut off the excess paper

**NICE JOB!**
