

HAPPY BUTTERFLY CRAFT

Supplies Needed

- paper plate (not dessert size)
- toilet paper roll
- paint, crayons, or markers
- glue
- google eyes
- pipe cleaner
- string, yarn, or ribbon for hanging
- scissors

Instructions

- Paint or color both sides of your paper plate
- Paint or color the toilet paper roll (be creative, it doesn't have to be black or brown!)
- Once your plate is dry, cut it in half (wavy line, or interesting edges, or just cut it straight) to make the wings
- Place a generous amount of glue to the center of the CURVED EDGE of the paper plate wings. Place this glued side onto the toilet paper roll - repeat for other side
- While you wait for the glue to dry, be sure to prop up the wings so that they are parallel to the table (2 additional toilet paper rolls work great for this)
- After the glue is dry, glue the google eyes and pipe cleaner in place (as shown)
- Cut a piece of string/yarn/ribbon and glue it to the back of your butterfly.
- Let dry & hang!

HAVE FUN & ENJOY!
